Steps for authors to benefit from agreement

Manage article: Authors are invited to Author Services when their article has been accepted by a journal, regardless of institutional affiliation. From there, they can manage their article.

Confirm author roles: The author list will show all authors from the manuscript. You get to indicate who is the corresponding author and responsible corresponding author, who drives this process.

Confirm funders and affiliations: The author is presented with reported funders and affiliations (if provided at submission) and is given an additional option to add/edit any. The platform will help authors select their affiliation if missing and will alert them of the eligibility.

Confirm copyright: Author is presented with the Copyright Ownership selection.

Open Access confirmation: Author is presented with the choice of publishing their article in open access.

License Agreement: If open access is selected, the author is asked to select a Creative Commons license dependent on funding source(s) reported and journal license permissions.

Signing: The next step is license signing and confirmation.
Authors’ Workflow for Wiley Fully Open Access Journals
When submitting manuscripts to Wiley fully open access journals, authors will be asked for their institutional affiliations at the same time and if their institution will fund their articles’ open access Article Publication Charge (APC).

In journals using submission systems like ScholarOne, Editorial Manager, eJournal Press, etc., authors will need to input their institution's account code, and in Research Exchange or Phenom, type in their institutions' name and select from the drop-down list. Their articles' APC funding request will then be sent to the corresponding institutions for review.
Authors’ Workflow for Submissions through ScholarOne, Editorial Manager, eJournal Press, etc.
Step 1:
Author submits manuscript to Open Access Journal and indicates affiliation with Wiley Open Access Account in payment question
Submission to OA journal

Authors will be presented with a payment question during manuscript submission.

They will indicate their affiliation with a Wiley Open Access Account.
Wiley Open Access Account Codes

Authors will search for their institution and then copy and paste the code into the appropriate field in the manuscript submission system.
